

Images from  
RØST AIR  
Summer 2018

Our June intern Amalia, cataloguing wild plants on the island in her free time.

In the kitchen, after gathering wild herbs for dinner.

Markku stayed for ten days and helped us with maintenance and various projects around the house.

Marie Kaada Hovden drawing  
in the lighthouse.

Spending time outdoors, watching birds and seals with the telescope. Elin Mar, Amalia, Katarina.

Nightly communal dinners outside, when the weather is good. Amalia and artist in residence, Katarina Skår Lisa.

July artist in residence, Eline McGeorge, beginning some woodblock printing in the barn.

A tie-dye indigo workshop which everyone joined in on.

Jason Rosenberg leading the tie-dye workshop.

Arriving to a music and dance performance by Katarina Skår Lisa and Marie Kaada Hovden

Eline McGeorge filming some seals.

Jason Rosenberg's site specific textile piece "Allow for the Curvature of the Earth"

Visitor Søren building a bird sculpture in the garden .

Eline McGeorge's summer block prints in her studio.

A seal-inspired performance by  
Katarina Skår Lisa.

Reading texts together in the afternoon sun.

Artist in residence collecting and learning about edible seaweed.

Artist in residence Milla Wexels Riser, helping Elin Mar to record sounds from the seals.

Queer Ecologies 2018 ten day seminar.
